Maid Bright Partners with Children's National

FOR IMMEDIATE RELEASE

Sterling, VA-May 17, 2018

Maid Bright was established in 2004 as family owned and operated residential cleaning service, servicing the DC Metro area. Maid Bright has been recognized by various organizations for their superior customer service, professionalism and consistency.

Maid Bright is dedicated to supporting the community through various partnerships and has partnered with Children's National for their gift certificate sales. For every gift certificate purchased, Maid Bright will donate \$10 to Children's National, Washington D.C.'s pediatric hospital, serving children since 1870. They are committed to bringing quality healthcare and well being to all children.

"We have partnered with Children's National because of our shared value of improving lives and because of our continued promise to help and enhance the lives of those in our community", stated Yusuf Mehmetoglu, Vice President of Maid Bright. "Helping raise healthy children means a brighter, better future for our world."

"Children's National is recognized for its expertise and innovation in pediatric care and as a strong voice for children through advocacy at the local, regional and national levels." To learn more about Children's National please visit www.childrensnational.org
